Mass Prayer For Peace Is Asked by Ike

EVANSTON, Ill., Aug. 20 (U.P.)—President Dwight D. Eisenhower today called for a "mass prayer for peace" in a radio address to the people of the world.

The president's first stop was at Springfield, where his speech at the Illinois state fair's Republican convention yesterday morning carried a distinctly political flavor.

Then, he flew to Evanston in the afternoon to call delegates and visitors at the World Council of Churches that "hundreds upon hundreds of millions" should pray simultaneously and fervently for the devotion, wisdom and stamina to work unceasingly for a just and lasting peace.

At Springfield, Eisenhower flung away at "accidents of fate" and "crooked-finger economic policies."

He mentioned no names, but this was an obvious allusion to contention of Democrats that the administration was leading the nation into a depression.

A crowd estimated by Fairgrounds Manager Strother Jones at 10,000 was within earshot as Eisenhower praised Republican members of Illinois' congressional delegation to say they had striven to help him carry out a promise to "work for one thing and one thing only—the good of the United States of America."

Another 10,000 to 20,000—as estimated by Cook County Sheriff John Babb—gathered on the Northwestern university campus in Evanston to hear the president's second address of the day.

"The cause of peace needs God," he said, adding:

"I believe that your spiritual leaders of a great world organization together with your prelates or other faiths can lead the way.

"The goal should be nothing short of inviting every people in every single country in the world to believe in the power of prayer to bring about a just and peaceful, simultaneous, intense act of faith."

Mediators Set To Offer Help In Mine Talks

BALTIMORE CITY, Aug. 20 (U.P.)—A federal mediation panel was recalled today to handle negotiations between representatives of the striking International Union of Mine, Mill and Smelter Workers and the Kennecott Copper Corporation.

In Montana, Idaho, Arizona, New York and Connecticut, meanwhile, members of the union were preparing to walk off their jobs next Monday at plants of the Anaconda Copper company.

Strike Approved

Mine union officials approved the strike proposal. It would take some 9,000 workers in the five-state area. Union officials said the strike would be a "no-strings" affair of any kind.

Kennecott, which is in its fifth day, has asked some 10,000 workers in Utah, Nevada, Arizona and New Mexico to return to work.

Mill-Mill strikers in Utah originally asked for a 25-cent per hour wage increase and numerous health and welfare benefits.

Fires Reported

HAGERMAN, Aug. 20—The Hagerman fire department was called out around 3:30 p.m. Thursday to put out a brush fire in a vacant lot between the Ombas Western Auto company store and an adjacent building owned by Albert Grider, Mount-Hill home.

At 12:30 p.m. Wednesday morning the fire department was again called to the same spot to extinguish the fire which had traveled to a small wood shed at the rear of the vacant building. Slight damage was reported.

BOY HAS POLIO

BOISE, Aug. 20 (U.P.)—Idaho's polio toll continued to mount Monday with a 15-year-old Preston boy reported to the state health department as the 36th case of the year and the 11th of August.

Story of "Curse of Pharaohs" Merely Amusing to Scientists

BY RYMAN MORRIS
NEW YORK, Aug. 20 (U.P.)—Remember the famous story of "the curse of the Pharaohs?"

It came from the dim recesses of the tomb of Tutankhamen, a king who ruled Egypt and died at an early age about 3,000 years ago. The tomb was discovered and opened in 1922. The archaeologists came upon a staggering profusion of gold and jewelry, furniture, chariots, household articles and the mummy of the young sovereign, encased in nearly a ton of solid gold.

They also noted a warning engraved on the wall—"curse be he who touches me."

Such warnings were not unusual in the royal tombs. They probably were put there to frighten away grave robbers. If so, they failed miserably. Within a few months of each other, while the work was in progress, Zaky Nour, keeper of antiquities for the region where the tomb was found, said, "As a scientist, I cannot believe this is anything but a coincidence. But there are many things we don't know."

It merely amuses the professional Egyptologist. He reminds you that the other members of the Carnarvon expedition lived to a ripe old age and died quietly in bed. And also, that thousands of people have been "exposed" to the dire warnings, every kind on the walls of the tomb.

Yet, a strange and tragic misfortune has overtaken one of the scientists connected with the discovery of the "tomb of the Pharaohs."

Season Your Barbecue with Micky Chips from Globe Seed, adv.

Judgment Asked

Alfred Bennett was named defendant in a \$14,850 suit filed in district court Thursday by C. C. Anderson company for back payments on an L and H freezer, a used business gas range and a Seigler heater.

The department store seeks reimbursement of the appliances or judgment ordering payment of the \$14,850, and also asks payment of the \$15 attorney fee. William H. Bakke represents the store.

Divorce Sought

Mrs. ZADA Prior asked for custody of her two children and \$50 monthly for their support in a divorce suit filed in district court Thursday by Mrs. Prior.

Mrs. Prior, represented by John O. Heyworth, charges extreme cruelty. The Prior's were married at Wendell Oct. 27, 1939, and have two children.

Mrs. Prior also seeks \$100 attorney fee.

DAMAGER BOUGHT

BOISE, Aug. 20 (U.P.)—William Winfield, a Kentucky resident, has filed suit for \$2,000 in federal court against Shingichiro Sato, Idaho Falls, charging Sato had a stop sign in Idaho Falls April 29, 1954, damaged his auto and injuring his neck and back.

A-Power Talk Held by AEC, Utility Chiefs

RICHLAND, Wash., Aug. 20 (U.P.)—Private utility executives from three states, looking into the possibility of getting electrical power from a nuclear reactor, met with officials of the Hanford atomic plant yesterday.

The executives represent utility companies which entered into an agreement last May with the atomic energy commission to study the feasibility of designing and building a reactor to produce power.

DAVID P. Shaw, manager of the plutonium works here for the AEC, and W. W. Love of the AEC engineering and construction division took part in the discussion.

The utility executives included Kinsey M. Robinson, Spokane, president of the Washington Water Power company; Paul B. McFey, Donald R. McClung and Emil R. DeLoach, Seattle, president of the Puget Sound Electric company; Frank M. Warren, Jr., Portland, General Electric company; and John M. Corbett, Colin W. Bass and Ray M. Ball, Montana Power company, Butte.

Each American has an average of 39 horsepower available for its use today, compared with half a horsepower per capita in 1899.

Money-Maker

CHICAGO, Aug. 20 (U.P.)—Workers at the Lion Manufacturing company have used a novel way to raise funds to fight polio.

They've raised \$50 already through "masks."

The employees sealed a cardboard box, cut a coin slit in the top and pledged to "pay up" every time they made a mistake—either in their work or grammatical errors in speech. Mrs. Martha Russell said she and five inspectors in the pinball machine plant started the game. But 35 workers in the soldering department soon joined.

Miners Strike

SANTIAGO, Chile, Aug. 20 (U.P.)—About 6,000 workers in the U.S.-owned El Teniente Copper mine struck after wage talks between union leaders and the Braden Copper company collapsed. The miners demanded 75 per cent pay increases and other benefits.

Wickes has 12 years experience in education and has taught in Idaho at Filer, Jerome, and the University of Idaho. He was recently elected to the position of principal at Brigham Young University. Wickes is coming to Carey from Briggs where he was principal for three years. (Staff engravings)

Money for School Building Expected

WASHINGTON, Aug. 20 (AP)—Communities with new school buildings near some 300 federal installations soon should be able to apply for money to finance new construction. A spokesman for the office of education said today a release on new applications for federal money to build schools will be circulated soon. President Eisenhower signs a bill now at the White House.

The bill would extend the law authorizing federal aid to schools in areas where construction is needed by the children of federal workers. The law now provides for construction of between 200 and 300 school districts in the nation will be eligible for the aid.

The bill does not provide any money, but makes such federal aid legal. The office of education says it is hopeful that the next congress will supply the necessary funds by mid-1955.

Votes Counted

BURLEY, Aug. 20—Official count in the primary election in Cassia county for justice of the supreme court is "Ding" Henderson, 2,778 votes and R. W. Beckwith, 2,334.

For judge of the eleventh judicial district, Hugh Baker received 2,778 votes and R. W. Beckwith, 2,334.

Lincoln Area Farmers Report On Harvest Yields for Season

SHOONE, Aug. 20.—The second cutting of hay in Lincoln county has been better than the first, farmers here reported today. The first cutting of hay was below the first cutting but they have been in the minority.

Ervin Braun, farmer north of Shoshone, said he estimates the second crop of hay as normal having run around two tons to the acre. Frank Bateman, also north of Shoshone, reports an average second crop of hay of about two tons to the acre. Braun said he has a third cutting of hay on most lands north of Shoshone although some farmers leave the hay in the fields for feeding to save the work of stacking it and hauling it back to the cattle.

Last year one to two tons a acre was the average yield. This year two years ago three to five tons per acre were averaged in the county.

Grain and wheat yields are termed "up to par" by farmers this year. The average yield is 50 bushels to the acre.

Karl Kemmer reports 70 bushels an acre on oats and 60 to 65 bushels to the acre for wheat. Frank Bateman, who reaped 100 bushels to the acre on his wheat field, gives credit for the good crop to the fact he planted it on potash ground. Lewis Hottel had a similar yield.

Plant crops in the county aren't maturing as fast as usual but with average weather conditions, the yield is expected to be fair. Some fields won't be ready by the middle of September.

No Blasts Slated For Pend Oreille

SPokane, Aug. 20.—The federal department has announced it has "no plans to conduct deep charge tests in Lake Pend Oreille this year," it was learned here.

The navy's announcement came shortly after Rep. Albert J. Hanna, Washington, introduced to the secretary of the navy a report which stated that the navy had told him that the navy had no plans to conduct deep charge tests in Lake Pend Oreille this year.

Plans for underwater tests at the lake two years ago brought protests that resulted in the navy canceling its plans. Spokane city commission protested that the tests might endanger Spokane's water supply.

Marriage Rumor Flares Up Again

LONDON, Aug. 20 (AP)—The London Daily Herald said today that Princess Margaret, 21, will announce her engagement to Colin Tennant, 24, son of the Earl of Glen.

The newspaper frankly ascribed its reports to "rumors."

Tennant is the 24th birthday of his last three birthdays similar speculation of romance has cropped up.

Inducted

RUPE, Aug. 20.—Robert Jackson, Rupert, and Robert O. Platts, have left for induction in the Air Corps.

William Calvin Connor, Ernest LaVern McNeil and Elling Barnard McNeider, a resident from Balm, Ore., took their physical examinations at Boise Wednesday.

Wendell's People Travel Entertainment

WENDLE, Aug. 20.—Frank Harrison left Tuesday for Spokane after visiting his grandmother, Mrs. Margaret Berger.

Mrs. Frances Schumacher, Los Angeles, Calif., is a guest of her sister, Mrs. Emanuel McNeil.

Mrs. Esther Edman and daughter, Bessie, are guests of Mr. and Mrs. Fred Gibson.

Germán, Stettin, Wash., are visiting her sister, Mrs. M. L. Gates.

Guests of Mr. and Mrs. Leslie Wallace are Mr. and Mrs. C. A. Kerber, Santa Ana, Calif.

Mr. Howard Mason and children, Logansport, Ind., are visiting Mr. and Mrs. Herman Mason.

Mr. C. H. Bais and children, Winnipeg, Canada, are visiting Mr. and Mrs. Fred Gibson.

Benson Plan On Butter Is Big Question

WASHINGTON, Aug. 20 (AP)—A big question posed by the new farm bill is whether the U.S. Secretary of Agriculture will order government-owned surplus butter to consumers at cut rates.

The measure, which will be considered by the House today, would allow the secretary to dispose of extra supplies of butter, cheese and dried milk acquired under a dairy price support program.

Under this broad authority, which has been in effect since 1949, he may sell these products as he sees fit, give them away or even destroy them.

But the "butter dilemma" has been a long-standing problem of surplus butter. 425 million pounds of cheese and 275 million pounds of dried milk have been reported to be in surplus.

There have been reports that some farm officials want Benson to offer this butter to consumers at 41 cents a pound, or about 25 cents less than current retail prices.

The new legislation gives Benson authority to put up to 200 million pounds of butter, 150 million pounds of cheese and 300 million pounds of dried milk in a "special reserve" pool for non-commercial uses, including foreign aid programs, relief, barter deals, a national emergency stockpile and the school lunch program.

"Big Reduction Possible"

Should Benson place these maximum amounts in this pool he would have a relatively small quantity of butter left to dispose of.

Most farm leaders doubt Benson will offer dairy products at reduced prices because of the possibility only as a temporary measure, might develop pressure for indefinite continuation of the program.

But he has said he is against government subsidizing of consumer food bills, except for the needy.

The new bill makes no change in the present support price for milk and dairy products. Neither does it change the present method of support, which is government purchases of surplus milk and dairy products.

In a move to boost consumption of fluid milk among youngsters, the measure would require the use of up to 50 million dollars a year of its price support funds for the next school year to increase consumption by school children. This money will be apportioned among schools participating in the school lunch program. It may permit the schools to offer milk a cent a quart cheaper.

Budget Funds Given Cutting By Legislators

WASHINGTON, Aug. 20 (AP)—Congress voted a \$55,000,000 cut from the fiscal year 1957 budget. The cut is the smallest total since before the outbreak of the Korean war.

At the same time the lawmakers cut \$100,000,000 from the \$100,000,000 in new cash requested by President Eisenhower in his budget for the year ending next June 30.

This year's appropriations fell about \$5,000,000 below the \$100,000,000 voted by Congress last year after the Republicans returned to power.

Half of Record

And they were only about half of the post-world war II record of 101 billion in 1951, the year the nation started in earnest to rebuild its military might after the red attack on South Korea.

Congress would cut its appropriations for the fiscal year ending next June 30, the measure says. The measure lays heavy stress on military defense, much less on economic aid. It provides for \$100,000,000 in new cash and re-appropriating \$2,400,000,000 in carryover funds to bolster the free world's economic and communist threat.

Less Than Asked

Although this totals about three-quarters of a billion dollars less than the President asked, the House voted to cut \$100,000,000 from the \$100,000,000 in new cash and re-appropriating \$2,400,000,000 in carryover funds to bolster the free world's economic and communist threat.

Estimate is High

Although Congress voted just under \$4 billion, the President has estimated that the total will reach \$5,000,000,000 this fiscal year. With revenue expected to hit \$61,642,000,000, anticipated deficit would be \$3,900,000,000.

Much of the spending in any fiscal year is out of appropriations voted a year or more earlier. This is particularly true of spending for large, complex items of military equipment. This Congress might vote money this year to cover the full cost of an aircraft carrier, but would be paid out over the next three or four years.

Last Fine

EAST CHICAGO, Ind., Aug. 20 (AP)—Frank Borah planned to retire after working at a trouser manufacturing plant.

He was arrested after he was found leaving the plant on his last night of work.

Small World

MIAMI, Fla., Aug. 20 (AP)—Mrs. Mary K. Kean was blinded by the sun while driving and smashed into another car.

Electric Team Takes Peanut Title in Tourney

Those wide smiles you see on the Times-News ballplayers above are the result of a victory over the Professional Pharmacy Professionals Tuesday night that gave the grinning Electric the Peanut League and tournament title. From left, front row, are Glenn Hooper, Billy Newby, Frank McAttee, Jr., and Mickey Edgar. Rear row, Roger Peterson, Jerry Lindner, Jim Moore, Steve Cragg, Wally Stevens and John Jensen. Score of the championship game was 12 to 9. (Keller photo—staff engraving)

New Law Gives Everybody Additional Month to Ponder Income Tax Returns

WASHINGTON, Aug. 20 (AP)—Everybody needs another month to work over his income tax returns and decide whether he wants to have been required to file advance estimates of income now are relieved of this chore.

These are two important administrative changes included in the big tax revision act recently passed by Congress.

One change that affects all individual taxpayers: The deadline for final returns is shifted from the traditional March 15 to April 15. This goes into effect when you file next spring.

Taxpayers over 65 no longer are required to file returns if their income is \$1,000 or less. Under the old law, they were supposed to file a return if they made more than \$600. Further, all individuals are relieved of filing information returns—reports of income paid to others—unless they are in business. Thus an individual who pays a maid or yard man \$600 or more a month no longer has to file quarterly advance estimates.

Big changes have been made in requirements for filing quarterly advance estimates of income and making payments based on these estimates. These changes affect estimates due in 1955—not 1954.

If you make less than \$100 not subject to withholding, you don't have to file quarterly advance estimates.

Three-Day School Meeting Set for Valley Aides Aug. 26

School lunch program personnel from throughout Magic Valley are expected to attend the three-day school lunch workshop beginning Aug. 26 at the Twin Falls Junior high school.

Theme of the convocation is menu planning.

A portion of the first day will be devoted to working with school administrators and other persons responsible for administrative records and reports of the school lunch program.

A "rest-a-while" dinner is planned for 6:30 p.m. Aug. 25. Mrs. L. W. Carver, Twin Falls, is in charge of arrangements.

Allen P. Jeffries, director of federal projects, and Cecil P. Olsen, newly appointed school lunch supervisor, state department of education, will have charge of the three-day meeting.

Rosemary Sluder, Idaho Falls high school program manager, will direct the luncheon and the menu planning workshop.

She will be assisted by Mary J. Patterson, nutrition specialist, extension division, University of Idaho; Betty Robinson, Twin Falls; and Mary J. Patterson, Twin Falls, senior assistant, southern Idaho health department; R. L. Halliday, Jerome commercial, industrial, and agricultural, Idaho Power Company, and Alice L. Henry, Oodine, Idaho State Tuberculosis Hospital dietitian.

PTA members and other persons interested in the school lunch program are invited to attend.

Closure of Boise River Is Planned

BOISE, Aug. 20 (AP)—The Boise river will be shut off behind Lucky Peak dam about Oct. 15 to facilitate installation of control gates at the outlet. It was announced by Nels Kulp, state reclamation engineer.

The closure was discussed yesterday by a group representing the Boise project control board, the army corps of engineers and contractors.

New gates will ready the dam for storage next spring should it be needed, Kulp said.

Fine Example

DANVILLE, Va., Aug. 20 (AP)—Glen Goode paid a traffic fine last year for driving on the wrong side of a highway center line.

Goode's job is painting center lines.

Built-in Bath, 'Barbecue Pit,' Washer Grace Non-Stop Car

SAN DIEGO, Calif., Aug. 20 (AP)—Louis Mattar is driving non-stop between Alaska and Mexico City in what is probably the only car on the road with a built-in washing machine, shower bath and barbecue pit.

His 1947 Cadillac also is equipped with a cockpit pipe that pulls out of the dashboard, a seven-inch television screen and an ingenious hydraulic jack which, the inventor claims, permits him to change a flat tire without stopping the car.

Mattar just passed through his home town of San Diego en route to Anchorage and Mexico City. He didn't stop to see his friends, but only waved. If he stopped the whole trip would be spoiled.

Mattar is a mechanic by trade. When he isn't tinkering with some of the cars he has in his shop, he is working on his new brainchild in his own or making phenomenal non-stop trips. His current three-country jaunt will take him 9,000 miles.

Before setting out with two pals who help with the driving, Mattar arranged for re-fueling at Edmonton, Alta., Reno, Nev.; San Diego and Laredo, Tex. Gasoline will be piped into his car's storage tank from a moving auto.

At mealtime during the trip one man jumps into the back seat, plugs in the electric barbecue and fixes food. The washing machine handles the laundry and the "bath room" includes a mirror and basin for shaving and a workable if not spacious shower.

The TV set is built into the back of the front seat so that between sprints at the wheel Mattar and his companions can relax with a Scotch and soda and a ball game. The Scotch and soda comes from a built-in bar and is strictly rationed for safety purposes. There also is a tape recorder that plays music if TV reception is bad.

Mattar put together his free-wheeling hydraulic jack so not even its flat could keep his trip from being non-stop. He is confident the car's engine (it only has one) will keep turning throughout the 9,000 mile trip.

To avoid such interferences as red traffic lights and stop signs, he has arranged with police departments along the route to meet him at the outskirts of towns and escort him to the other side. He also has fixed up so he can make an on-the-run trip through customs stations.

Cranky

BATTLE CREEK, Mich., Aug. 20 (AP)—An 11-year-old girl summoned police to come and arrest her mother. She complained she had been spanked.

Police said the girl went into a temper tantrum when she was told she could do nothing about it.

So the police left, recommending that she get another spanking.

Cowboys Drop 2 To Boise 3-1, 7-0; Play Here Tonight

BOISE, Aug. 20 (AP)—The last-place Boise Pilots scored a sweep over the Magic Valley Cowboys Thursday night, winning the seven-inning opener 3-1 and the regulation nightcap 7-0. The Cowboys return to Jaycece park Friday night for their last extended home stand of the season.

A three-day, four-game series with the Idaho Falls Ruskies. After that, Pociello moves into town for a three-game series followed by a three-game battle with the Boise Pilots.

The final game of the season is Aug. 31 against the Boise Pilots.

Manager Everett Robinson probably will start Jim Stoddard on the mound in Friday's game with the Ruskies.

Bill Francis tossed the shutout, allowing the Cowboys seven hits. Three double plays by the Pilots pulled him out of trouble.

Boise pitcher Doc Bloom, who stroked four singles in as many trips in the second game.

The Pilots' big inning in that game was the fifth when they tallied three times. Singles by Floyd Robinson, Roger Longmeyer, and Jim Stoddard produced the tallies.

Bobo Olson Wins Row Over Weigh-in Time

SAN FRANCISCO, Aug. 20 (AP)—An angry row over the weigh-in time was settled late Thursday and the Olson-Castellani middleweight title fight will be held Friday night as scheduled.

The little argument—possibly involving champion Carl (Bobo) Olson's weight—ended when Rocky Castellani's manager gave in.

"Let them weigh in at 10 a.m. tomorrow," for the good of the fight," said Al Naiman, Castellani's manager.

Naiman had held out for a weigh-in at 11 a.m. (PDT) when the fighters, to atop, on the scale at 10 a.m. and then followed and fought in the ring.

Olson's manager, who is with the Castellani camp, prevailed on Naiman "to accept to the champion's position that weigh-in time be conducted at 10 o'clock," Ford told sports writers.

The fighters should weigh 160 pounds or under—as 150 on Friday.

Olson's manager has not been made public by Flaherty, who weighed his fighter privately during his training camp session at Nice, Calif.

The nationally televised 16-round fight will be scheduled to start at the Cow Palace shortly after 8 p.m. (PDT).

The odds were 4-1 the champ will retain his crown.

The pattern the battle will follow appears pretty well established. Olson is the more powerful, a devastating body puncher.

The Honolulu-born ringman, now a San Francisco resident, is expected to attack Castellani from bell to bell.

Castellani, a native of Luzerne, Pa., built now the pride of his adopted city, Cleveland, O., is a picture boxer. He has a darting left jab and a right hand that can come in and out and from side to side with exceptional speed.

Rocky is a counterpuncher in the main and can explode with steamy one-two punches.

This will be Castellani's big opportunity and the first-time crack for the handsome Italian-American. It will be his first trip over the 15-round route. He lost a twelve-round bout to Pierre LaSalle but later outpointed the tough Frenchman in 10 heats.

RECORD SET

GARVIE, Sweden, Aug. 20 (AP)—The 100-meter record for the 1,000-meter relay yesterday when he ran the distance in 1:10.4.

Garvie, who is a member of the Swedish national team, set the record in an international track and field meet. He clipped the old record of 1:10.8 set at Oslo last September by nine-tenths of a second.

"Angel" May Keep Macks In Philly

PHILADELPHIA, Aug. 20 (AP)—Earle and Roy Macks hinted Thursday they have found an "angel" to save Mack ownership of the Philadelphia Athletics and another source reported it involved selling their father's stock for \$600,000 to someone who will then invest \$200,000 more to rebuild the club.

Just who the "angel" is, neither of the Macks would say but they inferred he exists and that they would bury the hatchet and run the ball club next year and for many years to come.

Earle and Roy, who have been feuding, would retain their ownership of the club, which is now an American League franchise, one source told the Associated Press.

It was Earle who hinted a plan was in the making that would enable the Mack family to remain in baseball. The most realistic of the Macks about future prospects ever since the club treasury hit rock bottom, Earle suddenly changed his tune.

"I'm sure we'll be here next year and for years to come," he told a reporter last night. "We've got many of the difficulties straightened out and I'm certain we'll accept a proposition that will be beneficial to all."

Roy chimed in with a hint that a detailed plan of refinancing and reorganization may be ready for announcement at the end of about two weeks.

While neither brother would talk about it, it was learned that the proposition was to sell Connie Mack, 82, a 49 per cent interest in a new stockholder who then would invest additional working capital estimated at approximately \$200,000.

Both Roy and Earle would retain jobs in the front office, but the Macks' four sons would be turned over, stock and share to a new general manager, a man experienced in baseball. Stanley "Bucky" Harris, manager of the Washington Senators, and Frank Lane, general manager of the Chicago White Sox, have been prominently mentioned.

NEW YORK, Aug. 20 (AP)—As long as his big league baseball club is in financial straits, Connie Mack, 82, is going to keep his club in Philadelphia.

Record Milwaukee Crowd Watches Cardinal Rookie Nip Braves 2-1

By The Associated Press

ROOKIE Gordon Jones, a major leaguer for only two weeks, throttled the Milwaukee Braves with eight hits Thursday night to help the Cardinals to a 2-1 victory in the 10th inning in the 10th inning in the 10th inning.

The largest County stadium crowd in history, 48,057 fans including 37,241 who saw the Braves run the youngster's shutout bid on Johnny Logan's single which scored with two out in the ninth.

But Davey Jones, who had relieved Lew Burdette, was nipped for Moon's triple leading off the 10th and then a long fly to left sent Moon home with the winning run.

Three Williams' at-bats homered was all Ruben Gomez needed as he shut out the Philadelphia Phillies 9-0 with seven hits in New York.

Ray Katt and Bobby Hooper also homered as the Giants swept the three-inning game in St. Louis.

Only 10 More Home-Dates On Schedule For Cowboys

BOISE, Aug. 20 (AP)—The last-place Boise Pilots scored a sweep over the Magic Valley Cowboys Thursday night, winning the seven-inning opener 3-1 and the regulation nightcap 7-0.

The Pilots scored single runs in the fifth and sixth innings to break up a tight pitching battle between them and Magic Valley's Elmer Francis.

With the score knotted 3-1, Max Schmidt opened the fifth with a double and Ray Herrett's single drove him in. Singles by Art May and Ernie Sierra and a passed ball brought in Boise's third run in the sixth.

Boise grabbed a 3-0 lead in the seventh when Roger Longmeyer doubled following a walk to Herrett. Magic Valley tallied its lone rally in the ninth when Buster Cloud reached second on a two-base error by Elmer Francis and came home on Bob Wilk's single.

ATTEND THE OFFICIAL DEDICATION OF TWIN FALLS' \$600,000 WEST ADDISON Wonder Mile

The finest highway entrance of any city in the state

SATURDAY, 11:00 a.m.
AUGUST 21

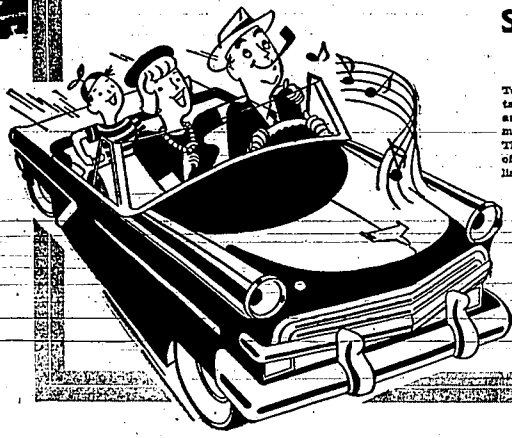

Saturday marks the day when Twin Falls will be presented the great new West Entrance Highway. It's going to be a gala occasion and the cooperating West Addison Merchants listed on this page extend a welcome hand to you and invite you to attend the festivities. This is serious and constructive progress toward greater Twin Falls, but other aspects of the celebration will give you a laugh too. Plan to be in attendance not later than 10:45 Saturday morning.

These proceedings and this page are sponsored in the interests of a greater Twin Falls by the following West Addison Merchants.

Stop in and make their acquaintance. You'll find them ready and willing to serve you with the best to be provided anywhere!

- GREEN LANTERN CAFE
- MONTGOMERY BROTHERS' SERVICE
- KENVERL, Inc.
- JAY L. SCOTT RICHFIELD SERVICE
- MAGIC CITY ROOFING
- WAHL'S IGA FOOD STORE
- THE BROWN DERBY
- HARRY BARRY LUMBER COMPANY
- OIL CITY
- CAPE COD MOTEL
- ALBERTSON'S FOOD CENTER
- WEST 5 POINTS MOBIL SERVICE
- MITCHEL AMES UTOCO SERVICE
- SMITH ROOFING
- J. D. CONNER'S MARKET
- JESSER EQUIPMENT
- EE-DAH-HOW MOTEL
- BRIDGES NEON SIGN CO.
- ADDISON WEST SHELL SERVICE

See an unsuspecting tourist family GET "PINCHED"

To Sheriff Jesse Carlton goes the honors of "arresting" a tourist family. The arrest will take place right on West Addison. The selection will be made through use of colored light and noise effects with which his car is officially equipped. (This should be funny!) The motorist's celebrated crime will be to have arrived in Twin Falls at so propitious a moment. The penalty for this crime will be the offering of the undivided hospitality of the people of this city. Some of the things in this to prove the sincerity of our hospitality party are listed here—

1. Night's Free Lodging at Strang's Motel!
2. Complete servicing at Gas Fire Tank of Gas, courtesy the General Petroleum Company, at Bob Gier's West 5 Points Mobil Service!
3. Twin Falls Restaurants Will Provide Free Meals for the Family All Day and the Next Morning!
4. Guided Trip to Magic Valley's Scenic Points!
5. Free Movie Tickets for the Family!
6. Swimming Party for the Youngsters!
7. Guest of the Magic Valley Cowboys at the Ball Game!
8. Box Lunch for Their Trip from Wahl's IGA Food Store!
9. Vacuum Jug from Montgomery Brothers' Service!
10. Numerous Other Gifts and Souvenirs from Twin Falls Merchants!

SIMULTANEOUS RIBBON-CUTTING CEREMONIES AT 11:00 A.M.

Traffic will be stopped at 10:57 A. M. West Addison will be blocked at both ends.

At 11:00 A. M. the ribbons will be cut and traffic officially started by the joint efforts of the City Police Department and the Idaho State Highway Patrol. Mr. Al Nelson, chairman of the Twin Falls city board of commissioners, will open the east end at West 5 Points. Doc Hawkins, chairman of the Twin Falls County Commissioners, will open the west end at Martin Street.

DEDICATION:

After the dual ribbon cutting, the official cavalcade and the "arrested" tourist car will meet at a point equi-distant from both ends and dedication and official presentation will be made. At this time the tourist family will find they are really not going to jail and will be welcomed to Twin Falls by our mayor and presented the key to the city along with our show of hospitality.

The entire dedication ceremonies will be broadcast by direct wire over Radio Station K-E-E-P

MAKE A DATE WITH WEST ADDISON FOR SATURDAY MORNING
